October 2021

Dear Parents/Guardians and Students:

Good afternoon! Please pardon this short message. I wanted to reach out with a few reminders regarding some upcoming events to clear up any possible confusion.

- Students in grade 7 will have a Field Day tomorrow (October 7), after lunch. They will follow their regular schedule from the start of the day through lunch, after which they will be instructed to report to the auditorium, meet with their groups, then proceed to the field. Please remind them to wear the t-shirts they were given for Field Day. This will not affect the 8th grade regularly scheduled day.
- There will be a building-wide infrastructure test this Friday to ensure that all students are able to log in to Test Navigator properly. This will be the platform all students use next Wednesday and Thursday for the Start Strong Assessment. All students should have the Test Nav app on their desktop or in the startup menu. Feel free to mention this to your student as a reminder. Communication about testing was sent last Friday in a letter from Mr. Jasinski.
- Students and faculty are being asked to wear gold on Friday in honor of the “Golden Rule”. This message is to treat others the way you would like to be treated. The flyer for the event is attached.
- Students do not report to school Monday. It will be a Professional Day for faculty and staff only.

Have a great rest of the day!

Best Regards,

Robert Urbanovich
