Dear Parents/Guardians and Students:

Greetings, 7th Grade Hawk Families! I wanted to reach out regarding tomorrow's 7th Grade Pool Party in Ramsey. Students will be called to the auditorium at 9:00 to review behavioral expectations while on the trip. Below, you will find information regarding morning preparations. All of these can be found on the permission slip that was handed out awhile back.

- Students can bring money for lunch (there is a Snack Stand at the venue) or may bring a bagged lunch
- Each student should bring a towel and a bathing suit
- A change of clothes is optional
- Sunscreen and water will be provided but it may be a good idea to bring extra
- Sports equipment will be provided but students are welcome to bring their own
- Do not bring glass bottles
- Students are urged to bring a string bag or backpack to keep cell phones, money, or other valuable items
- Students should check the lists in the hallway to determine their bus

We look forward to a day of fun activities! If you have any additional questions, they can be forwarded to adam.facendola@riverdell.org.

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
